### **INVITATION: SEVEN PASSES YEAR-END FUNCTION**

The Seven Passes Initiative would like to invite you to join us on the 18th December 2010 at 3pm at Beyond-the-Moon for our annual celebratory function. We will be handing out prizes to students who have achieved this year, as well as celebrating their talent and commitment. It is also a time to thank our supporters and sponsors. This year Roger Titley, who designed the dung beetle that was seen in the Opening Ceremony of the FIFA World Cup, has designed and made puppets for the show.

Talented young people from Seven Passes are working hard with Roger to prepare a wonderful show. Be sure not to miss it!
